# USER GUIDES

## How To Get Started

Welcome to one of the world class crypto innovations, structured to help you learn and earn from cryptocurrency and other financial market investment. We are here to bridge the gap between crypto investors and right trading strategies to help you maximize your profits and minimize loss.

If you are a beginner or have no knowledge in cryptocurrency or financial market, we will walk you through the process you need in order to start earning within 20 hours of your trading experience. Also if you are an experienced trader, you can easily manage your account and set automatic trade while you focus on other aspect of your life.

We have carefully outlined all the steps you need to follow in order to start earning regardless of your knowledge and experience in trading financial instruments.

## How To Get Started

### Sign Up

To sign up, click the 'Sign up' button, you will be taken to the page with the registration form. You are required to provide information such as your full name, username, email and your payment accounts. You also need to come up with a complicated password. When you fill in your details correctly click the sign up button. A verification link will be sent to your email address, check your email and click the link to verify your account.

### Make Deposit

To Make Deposit, log into your capital-dex.com.mx account using your username and password you specified during registration/sign up. On your dashboard, click "Deposit" or "+" icon , select your preferred mode of payment, input your desired amount, then click "Continue" in the lower field of the page. You will be taken to the page of the chosen payment system. Transfer the exact amount you specified to deposit. When you have successfully sent funds and transaction is completed, your funds will appear in your Account Balance.

## **Pick a Plan**

After you have added funds into your capital-dex.com.mx account, next step is to Pick a Plan and invest your funds. To invest your newly added funds, click "Invest" button in your dashboard, you will see several investment plans. Select one of these plans (make sure you have enough balance for each plan you want to select), select wallet which has your fund, enter amount then click "Continue", on the next page, click "Process".

Congratulations, you have successfully invested your funds.

## **Get Profit**

The accrued interest from your investment will automatically be added into your account balance in accordance with the chosen investment plan. At the end of the investment term, your entire capital/principal amount will be in your account balance. To see your active plans, click "Active Plan" in the menu panel. Also, to track your transaction history in your account (this includes your daily accrued profits etc) Click "Transaction" in the menu panel.

## **Refer and Earn**

You can also become one of our partners to earn even more money. We have a special program called Affiliate Program that works on a very simple principle. All you have to do is to share your referral link to potential clients. If they register and make deposit, you will receive 10% bonus from the amount of their investment. Login to your account, click "Referrals" to copy your referral link, share it with others and earn extra profits today.

## **Explore**

# CAPITAL-DEX.COM.MX CAREER

## STATE A CAREER

The feedback of satisfied clients is the best recognition of our success. Every recommendation or advertisement of the fund confirms our development. We love to help our clients, therefore we thought over an advantageous referral program that gives each partner an additional income.

## WHAT IS AN AFFILIATE PROGRAM?

Affiliate Program is a type of marketing in which a business rewards one or more users for each visitor or customer brought by the user's own marketing efforts. It is a program that include the accrual and payment of partnership rewards to users whose invited participants have created investments in the company's investment program.

## HOW DOES IT WORK?

Absolutely anyone who is interested in investment activity can become your referral. There are no limitations in this issue. As soon as the user who signed up with your link makes their deposit, a part of these funds will go to your account. These funds are completely yours, and you can use them as you wish; you can reinvest the funds or withdraw them using an electronic payment system.

## HOW CAN YOU ACTUALIZE THIS?

If you have a website, blog or have any account on social networks this offer is for you. That means you can share your referral links to your friends on facebook, facebook groups, family and friends on whatsapp, whatsapp groups, instagram page, followers, telegram groups, or any other social media platform you have access to. Our affiliate program offers reward of 5% the deposits made by people who signed up using your referral link. You will also get 2% when your referrals refer others. You do not need to have a million subscribers or a thousand visitors a day. Just share you referral links

Remember, your income also grows along with the number of users you have referred. Reward is our gratitude for your work on the popularization of capital-dex.com.mx.

## SET A TARGET.
